PRESIDENT'S CORNER

Greetings, My NAUW
Culver City Sisters!!

As your new President, I feel very honored to represent Culver City. I look forward to an exciting year filled with new programs and activities.

It is indeed a pleasure to welcome you all back from our short two-month vacation. Some of us did not have that much time off because we were preparing for the Centennial Convention in Washington, D.C., from August 2-8, 2010.

Culver City was well represented at the Convention. There were 11 of us in the house. Although the election did not turn out as we would have hoped, it was great to be a part of the Centennial Celebration.

It was very inspiring to reflect on the founders of

our organization and the many obstacles they faced and overcame.

We did spend some time enjoying the many sights that D.C. had to offer and indulged in the good food at some of their fine restaurants.

The closest any of us got to a President Obama sighting was when our own Kenya Dennis

observed the President's vehicle leaving the White House. The windshields on the vehicle were tinted, so she couldn't actually see him.

The next convention will be held in Atlanta, Georgia. I'm sure that will be great fun as well. Whenever NAUW Sisters can fellowship together is a great blessing.

Helen Ricks, President
